

LINEAR MODULE

linear light rediscovered

LED module adapted for mounting in aluminum profiles. Thanks to the use of optimized solutions, the economy of use has increased to the maximum. The Linear Module feature is the ability to quickly assemble the module by using the AVX brand technology.

Diods	Medium LED
Power	5 - 20 W/m
Brightness	700 - 2900 lm
CRI	85 / 95
Lighting angle	120°
Lifespan	60 000h
Voltage	24V DC
Application	interior
Certifications	CE
Dimensions	10x100 mm
Dimmable	YES
Base	PCB
Warranty	5 Years

Colour temperature:
